

CRAFT, GIFT & SPECIALTY REVENUE

The crafts sector is likely still recovering from the closing of Boyds Bear Country in late 2006. The effects of this closing contributed to this sector's substantial losses in 2007. After a 13 percent decline in 2008, the city looks to add additional businesses to this sector in 2009 and 2010.

2008 CRAFT, GIFT & SPECIALTY REVENUE

Month	Gross Business	% of Change
January	\$1,373,226	-1
